THE SINAI EXPEDITION.

BY W. ST. CHAD BOSCAWEN.

The fact that under the anspices of the Early Exploration Pand Prolessor Flinders Petris is undertaking a systematic exploration of the Egypta remains in the Sinatic peninsula will be noted with a statisfaction by all Oriental scholars. Petris districts in the ancient East have such elistricts in the ancient East have such elistricis in the historic and time of the same time, the barrier and the council same time, the barrier and African continents, between the John many explorations of this Therou hat archicologoual research has thrown but archicologoual research has been desired to the archicologoual research has thrown but archicologoual research has been desired to the archicologoual resea

EARLIEST DYNASTIES OF EGYPT
by Mr. de Morgan and Professor Petrie at
Abytios and Nagada point to a connection between the early ruiers of Nile iaud and the
peninsula. It is clear that it was from the
mines and quarries of this region that the
copper and turquies ornaments found in the
graves of the first or the Pharmohs came. While
by the time of the Fourth Egyptian dynasty,
about n.c. 3800, the kings seem to have
regarded the mines as among their most
precious possessions, Senefru, the builder of
tha oversaid of Medium, records with pride the precious possessions, veneral the pyramid of Medium, records with pride the fact that be had 'driven out the foreigners from the nines'; a natement we shall find of great historical imp-rature. Knuter, or Chopsa, has placed a long record of his possession of the mines upon the rocks of the Wady Magarah, and throughout all the dynastics of the early empire we find records of the mines by bottles of courte flags of the as possessions, Senetru, the builder of

TO THE EDITOR OF THE EGYPTIAN GAZET

TO THE EDITOR OF THE EOTPTIAN GARRITE.

Sir.—The lecture given in your issue of yeterlay to the disatablest appointed for started in the Egyptian Investment and Aspency for ventilating their opinion in the Carpo press, suggests the procedurity of the paragraph lawing either been inspired by some one of the directorate, or having teen contributed by an injudicious friend: in the former case it least dignity, in the latter judgment. Whether the outery of the disappointed applicants in Carn, which by the way is pretly separat also in this city, is seen "assolute non-ensies" as the gratutous suggestion of way of reply to their complaints without your contribution, with an air of superiority, offers these of starting new companies on the same lines, may fairly be questioned, and is beneath reply.

Were the English law which compels public companies to open their regestry of sharedubers, proprietors gratuatously, and special proprietors gratuatously, and special proprietors gratuatously, and special proprietors and proprietors and the public work proprietors and the public work of the proprietors and the proprietors are consented debt as a company promoter, and who is anxious to familiarias the Egyptian public with the English transfer system, may be induced to educate them still further in this and other procedure of English companies.—Yours, etc.

PROPOSED NEW CHURCH HOUSE.

To the Eutro of the Euveries Gabres.

Sir,—In reference to the circulars issued to the voters of St. Mark's Church, e the church house for the chaplain, would not the difficulty be solved by restoring the £200, which was deducted from the chaplains stipend before the appointment's Ganon Ward, so as to enable the chaplain to rent a house within easy distance of the church I On: what grounds, and by whose authority; the stipend was lowered, has never been clearly understood by St. Mark's congregation. It was any the fortunate combination of circumstances at the time the cost of living in Egyptacture at the time the cost of living in Egyptacture arised considerably the church and the stipe of the cost of the
