solemn protest? So insecure does the author of this letter to "The Times" find this ground that he quick y shifts it for what he announces to be his real contention. And what does that loo Si hir real contention. And what does that amount to I simply this. In 1898 neutier amount to I simply this. In 1898 neutier amount to I simply this in 1898 neutier agrarded the Suec Gand Curvention of 1898 as being in torce, and hence the Spanish Feet area treated according to the general principles of International Law. We will not stop to inquire whether the writer's comprehension of Lord Salisbury's actuated is correct, or whether, assuming it to be correct, Lord Salisbury's position was assailable, or whether the principles of the princi
